There's something brand new in Connecticut that's been super popular in California and New York for years — the Biologique Facial Treatment (with the French Biologique Recherche products and electrotherapy machine) that *New York* magazine named "Best Lifting Facial in 2005." You'll find it in Stamford at the **EVE & ADAM SKINCARE SALON** owned by Ava Karasklewicz, who used to do facials at Panache in Old Greenwich. Her expert assistant is Barbara Aquino, who, like Ava, is a graduate medical esthetician from Poland. Barbara still works part-time in New York for Aida Bicaj, the first BR trainer in the United States, firming up the facial muscles of celebrity clients. A treatment takes an hour and fifteen minutes and costs $130.

Eve & Adam Skincare Salon, 37 Belltown Road, Stamford, is open Tuesday through Saturday, from 10 a.m. to 5 p.m., with later evening flexibility on Wednesday and Thursday nights. 203-325-1054
