BEAUTY RULES: MARY-KATE AND ASHLEY OLSEN

With three clothing lines selling briskly across the country season after season, the sisters' unerring chic has evolved into two stunning new perfumes for their Elizabeth and James label.

Biologique Recherche
Sérum Elastine Pure, \$58,
Sérum Oligo-Péptides Marines, \$34,

Indeed, their first two scents (right) incorporate elements of some of their favorite beauty products. We had to know, of course, precisely what those products were:

Skin: Mary-Kate loves Rodin and Biologique Recherche skincare; Ashley, too, is a Biologique Recherche fan: "I use the cleansers and creams twice a day and get facials regularly," she says.
