HAVING A MOMENT **APRÈS-SUN SAVIORS**

Just in case a few rays slip by your defenses this summer, there are new forms of salvation. Jurlique's body lotion soothes inflammation and reduces redness with natural extracts like calendula. For your complexion, Biologique Recherche's post-sun lotion minimizes UVA damage with the dipeptide carnosine. And Phyto has a new after-sun mist that rehydrates skin (and hair!) with plant oils.

1. JURLIQUE After Sun Replenishing Moisturising Lotion, \$36.
2. BIOLOGIQUE RECHERCHE Reparation U.V., \$119.
3. PHYTO PhytoPlage Huile Sublimante, \$40.
