akanksharedhu #RedhuBeauty - Extremely excited to see @kayaskinclinics collaborate with the exclusive French skincare brand @biologique_recherche to introduce Indians to the very popular Luxe Lissant Facial that's been fine tuned to specifically suit Indian skin. And yes it does use the world famous P50W exfoliant lotion too 🍌 I've shared a lot more on insta stories including the live facial! Can't wait to take my skin for an insanely pampering session here. #KayasFrenchTwist #akanksharedhu #bbloggers #beautyblogger #beautyupdate #Indianbeautyblogger #indianblogger #delhiblogger #kayaskinclinics #RedhuxKaya #skincare #luxelissant #biologiquerecherche #p50w #lotionp50w #frenchbeauty #facials #frenchcosmetics
