With the scorching summer season fast upon us, there's no better way to prepare your skin than with a tropical cocktail of kiwi and orange-infused *L'Eauxygénante* (\$38 for 1.7 fl oz; \$84 for 5.1 fl oz) from *Biologique Recherche*. This invigorating mist contains vitamins A and

C and features an exclusive oxygenating complex and edelweiss extract. Biologique Recherche products are available in Philly's Rescue Rittenhouse Spa (www.rescuerittenhouse.com) and online at www.biologique-recherche.com.
