### Spa Time's To Treasure

Award Winning Couple Spa For

## Drinking bubbles surrounded by bubbles

The spa (Royal Champagne/PA)

The spa here is, as you'd hope, heavenly. There are nine treatment rooms, Jacuzzis, a sauna and steam bath, and a private two-person suite for couples. Biologique Recherche-trained beauty therapists, in demure dove-grey uniforms, pad softly around the pool area (there are two pools – indoor and outdoor), fetching drinks and towels and ensuring relaxed guests feel completely looked after. I enjoy a gentle facial that's so soothing, I fell asleep.
