

BEAUTY GUROO

FOUR YEARS AGO, A SOUTH JERSEY INDIAN GIRL LANDED A PLUM JOB AT ALLURE. EIGHT FASHION WEEKS, THREE GYM MEMBERSHIPS, AND COUNTLESS MASCARA WANDS LATER, A BLOG WAS BORN.

Glow and Behold

My seemingly ageless friends at [Aida Bica](#) shared with me this get glowing trick: Mix two drops of [Biologique Recherche Serum Yall~O2](#) (at right) with a squirt of medium-coverage liquid foundation, and blend over cheeks. The thin texture of the serum dilutes the foundation, resulting in clear, even skin that looks refined and luminous—not glittery—in the summer sun.
