LNE & Spa—the magazine for skin care and spa professionals February 2010 \$7.50

SKY HIGH LUXURY

Biologique-Recherche has announced a new partnership with **Air France** in their La Premier Lounge at Paris Charles DeGaulle Airport. A treatment menu has been specially designed

to provide the best services for skin concerns of frequent flyers. Face and body care treatments on the list of options range from 20 minutes to two hours, including the luxury skin care company's most prestigious treatment, La Première. Air France states that they selected Biologique-Recherche for their shared values of elegance, exclusivity and authenticity. www.biologique-recherche.com
