Taylor Lautner and Robert Pattinson may be fighting it out for the same girl on the big screen, but when it comes to their grooming decision there's no competition!

Taylor is a huge fan of **Biologique Recherche**, specifically the Serum Yall-O2, because lets face it, with his busy schedule, he could use a beauty pick me up!

The Serum Yall-O2 combats hydration and the effects of aging by moisturizing, restructuring and protecting the outer layer of your skin. Beauty benefits of the

treatment are instantly visible—just the way we like it!

All you have to do is apply a few drops of the serum to your eye area, face and neck and voila—you're a whole new person! Check out Serum Yall-O2 and other amazing Biologique Recherche products at biologique-recherche.com.
