### Biologique Recherche Presents Body Products

Now available in the United States are 15 Biologique Recherche body care products described in a company press release as ranging from "skin-smoothing exfoliators, to soothing oils, to restorative firming creams."

They include Gommage P50 Corps, which is said to aid exfoliation and otherwise prepare skin for treatments. Body oils and complexes include Body Oxygénant, Complexe Anti-A, Complexe Anti-C, Huile Bénéfique, Huile Dermotonique, Huile Détente, Huiles Essentielles Pures, Huile Jambes Lourdes and Huile Sous-Ombilicale. Body creams include Crème Amincissante Oxygénante MC 110, Crème Défatigante, Crème MSR-H Corps, Crème Réparatrice and Emulsion Originelle Régénérante Corps.
