Staff Pick: Emulsion Originelle Regenerante

Posted on [November 4, 2010](#) by [Rescue Rittenhouse Spa](#)

“My favorite [moisturizer](#) is the [Emulsion Originelle Regenerante](#) by [Biologique Recherche](#)! In dry skin season this stuff is awesome, it is incredibly hydrating and restores the hydro lipidic barrier on the skin. It's a product that you put on in the morning and it works all day long.” -Aesthetician, Daria Giordano
