**THE ANSWER:** A specific spa treatment can help. We love the **Biologique Purification Facial**

in Vedas Beauty, Dun Laoghaire, Co Dublin (vedasbeauty.ie). It's a gentle yet deeply cleansing treatment (no pore goes uncovered) which is ideal for congested skin. It isn't cheap at €95 a pop, but it is luxurious and hugely effective – skin looks and feels brighter up to a week later.

Lotion P50, €45, Biologique.
