BIOLOGIQUE RECHERCHE FACIALS

Indulging in a facial every six weeks in the run up to the wedding is a must, but finding the perfect, natural and effective facial can be a task. Enter the Biologique Recherche Facial Sculpting Treatment. Loved by Jennifer Lopez and Madonna, the Biologique Recherche line is amongst the most effective in the world. Rich in marine and biotechnological extract, the products help skin retain tone, elasticity and balance. The products act quickly and produce visible and lasting results. Prices start at €95 for 60 minutes. Available at the Sanctum Skincare Clinic, Dun Laoghaire. For more information see www.sanctum.ie or call 01 2140222.
